WORK EXPERIENCE

Falcon Trading Systems Laramie, WY – *Computer Technician*

January 2021 - April 2022

I had a wide range of responsibilities while working for Falcon with the vast majority of my time being spent building and testing computer systems.

Cask:307 Laramie, WY – *Food Preparation/Dishwasher*

September 2019 - October 2020

Responsible for making sure that the kitchen is properly stocked, as well as making sure that all of the dishes are clean during operating hours.

State of Wyoming Sinks Canyon State Park, WY – *Seasonal Maintenance*

May 2019 - September 2019

Responsibilities included keeping the general park grounds clean as well as maintaining State vehicles, painting, mowing, basic construction tasks, and answering visitor's questions about the park.

Lander Golf & Country Club Lander, WY— *Groundskeeper*

August 2018 - November 2018

Responsible for raking the bunkers as well as mowing the rough.

WMI (NOLS Wilderness Medicine) Lander, WY— *Cinematographer/Video Editor*

May 2016

Working in a supervised, two-student group, I shot and edited an instructional medical training video.
